Jail Committee Seeks Public Input

The newly formed Special Committee to Resolve Jail Space and Site Needs is holding its next meeting at 6:30 p.m. on Wednesday, October 8 in Room 2550 in the County Courthouse.

The Committee has expressed a keen interest in hearing from the public on issues related to space needs for the county jail, law enforcement, courts and general government.

A presentation by county staff on space needs issues will be followed by a public input session related to space needs for not only the county jail, but also law enforcement, the court system, and general government.

Persons who would like to share their views but will not be able to attend the meeting are encouraged to e-mail their comments to Mel Erickson, County Planning Director, at: mel.Erickson@co.eau-claire.wi.us.
