

19th ANNUAL KIDS 'N COPS

Eau Claire County Sheriff's Office "Kids 'N Cops" Program is a voluntary effort coordinated by the Reserve Deputy Sheriff's.

Throughout the year Reserve Deputies contact businesses, community service organizations, and individuals in the Chippewa Valley to raise donations to support the program. The budget is determined by the amount of donations that are collected each year.

In September contacts are made to schools and churches to request referrals of children that are in need. Contact is made with parents/guardians to gather information about specific winter clothing needs such as boots, coats, mittens, and/or school clothing.

There is no paid staff, approx. 35 uniformed law enforcement officer and 30 civilians that volunteer their time to conduct this program. The program is always looking for volunteers to help.

December 5th the children meet at Super Target Super Store and the children are paired up with deputies who take them shopping. After satisfying the winter clothing needs for each child, attempts are made to acquire a few of their "wish list wants" as well.

Children
are from
