

ATTENTION BUSINESSES WITH HAZARDOUS WASTE!

ANNOUNCING A CLEAN SWEEP PROGRAM FOR VERY SMALL QUANTITY GENERATORS

WRR ENVIRONMENTAL SERVICES CO., INC.,

VERY SMALL QUANTITY GENERATOR =
 A BUSINESS THAT GENERATES <220 POUNDS OF HAZARDOUS
 WASTE IN ANY GIVEN MONTH, AND ACCUMULATES
 <2,205 POUNDS OF HAZARDOUS WASTE IN STORAGE.

 This program operates on a fee-for-service basis. Participating companies must pre-register following the procedures listed below.

Participation Procedures

1. You provide an inventory to WRR of what you will be bringing to the event. (Use the form provided by WRR).
2. You mail or fax the inventory/receipt form to WRR.
3. WRR will provide you with a cost estimate for the inventory you submit.
4. If you decide to participate, contact WRR and they will schedule a date and time for you to deliver your HW. They will also send you a VSQG HW Drop-off receipt and shipping instructions.
5. You bring your pre-approved HW, the receipt, and a business check (or cash) to the collection site at the scheduled time. If you pay by check, leave the amount blank.
6. You must follow applicable shipping regulations when transporting materials to the collection site.

Price Schedule (Use this schedule to initially estimate your costs.)

Item	Cost	Item	Cost
User Fee	\$20.00/event		
Paints & Paint Related Material	\$0.37 / lb	Fluorescent Lamps: 4 feet or less	\$0.50 each
