

PRESS RELEASE

9/27/17

From: Eau Claire County Sheriff's Office

On Monday, October 2nd, 2017, the Kids N' Cops Program will be celebrating 26 years with a local fundraiser being hosted by Altoona Family Restaurant and Sponsored by Holiday Travel from 7:30am to 8:00pm at the Altoona Family Restaurant, 2000 N. Hillcrest Parkway, Altoona, WI, 54720.

Since 1991, Kids N' Cops has united the Eau Claire County Sheriff's Office and other area Law Enforcement Officers with at risk youth between the ages of 4-11. Donations and fundraisers allow the program to create a special experience for these young people. Referrals are received from schools, social service agencies and churches. Officers take the children shopping at Target for essential winter clothing and school items and also let them choose a special toy! Kids N' Cops enables officers, family members and friends to share a little Christmas cheer while providing a positive interaction with law enforcement that lasts a lifetime. After the shopping experience, one on one time is spent while sharing lunch.
