

Use of Electronic Mail

**By Keith R. Zehms
Eau Claire County Corporation Counsel**

The Attorney General has expressed concerns about local government officials communicating by e-mail and the potential for violation of the open meetings law. To avoid the potential for a quorum of a committee or the board meeting by e-mail the following disclaimer should be attached as a footer on e-mail messages sent to other board members.

Disclaimer

This is intended to be a one-way communication. Please do not reply to this message. Please do not forward this message to another. If you feel you must reply to this communication, please reply only to the originator of this message. If you have received this message from a source other than the original sender of the message, please do not respond to or forward the communication.

If the purpose of the e-mail is to provide information, an alternative is to have the committee clerk or county clerk distribute the information.
