DATE: July 27, 2018

AUTHORITY: LT Cory Schalinske

PHONE 715-839-4701

The Eau Claire County Sheriff's Office will assign new Automated External Defibrillators to Deputies.

The Sheriff's Office was able to purchase 25 units to be deployed in Field Services and 8 units for Security Services. The effort was made possible by generous community donations. The Sheriff's Office staff is thankful and appreciative to the following:

The Presto Foundation
Mayo Health System
Charter Bank
Northwestern Bank
Kwik Trip
RCU
Eau Claire Morning Rotary

“Those serving on the front lines of Patrol and within the Jail are very thankful for this lifesaving equipment,” said Schalinske. “Our staff is trained and certified in the application of CPR and the AED. This is very important to us as we are normally the first to arrive at a scene.”

The Sheriff's Office will be holding an open house along with donors and HeartQuest Trainers, LLC on Wednesday, August 1st at 2:30 P.M. Please report to room 1301 in the Law Enforcement Lobby to see the units firsthand and speak to those involved in the project.
