On 10-13-15 at approximately 5:30 p.m. Eau Claire County Sheriff's Deputies were dispatched to the E4200 block of CTH I, Township of Pleasant Valley, reference to a "drive-by shooting".

It was reported that a black sport utility vehicle, occupied by two or more occupants was observed traveling on CTH I. The front seat passenger of said vehicle was reportedly shooting multiple rounds from a pistol, out of the open front seat passenger window of the vehicle. When the occupants of the vehicle observed the complainant, they fled the area and were last observed traveling west on CTH I, towards STH 93 at a high rate of speed. The complainant was able to provide us with the suspect vehicle's registration.

While responding to the scene, a Deputy observed the vehicle described by the complainant at STH 93 and Golf Rd. A short time later, at the intersection of London Rd and E. Hamilton Ave, Township of Washington, a high risk stop of the vehicle was performed and the four (4) occupants of the vehicle were taken into custody, without incident.

At this time, no injuries or property damage related to this case have been reported. The public is not in any danger, as the occupants of the suspect vehicle are currently in custody.

Based on the fact that this is an on-going investigation, no further information is being released at this time. The Eau Claire County Sheriff's Department was assisted on this case by the Eau Claire Police Department and the Altoona Police Department.
