SCAM ALERT

The Eau Claire County Sheriff's Office wants the public to be aware of a scam occurring in the area. Citizens have received letters in the mail from "Eau Claire County." The letter looks official and it is regarding a new referendum through Eau Claire County with Social Security to send \$19 to put in a trust to Washington DC to ensure that Social Security will continue. It appears to be signed from Executive Director Dan Perrin. If you receive a letter like this please report it to consumer protection, but please don't send any money or confidential information in response to the letter. This scam letter is occurring not only in our county but around the country.
